---

Sabeen Raja  
May 6-June 11, 2005

Sabeen Raja marries the traditional technique of Eastern miniature painting with contemporary Western themes. Often revolving around her wry observations of her Pakistani family and American society these small, jewel-like paintings (5 x 5 inches) are at once amazing and absurd.

Raja is a recent graduate of The Maryland Institute Collage Art, Baltimore, Maryland (MICA) and has previously shown with the gallery in Academy 2003.
